

# BEKS Super Big Field series

## Super Big Field Schiffli-like Embroidery Machine

### Introducing an alternative to Schiffli embroidery

- More Embroidery products for our life
- The Ultimate Choice for Textile & Home Furnishing Embroidery
- Head Selection

### Embroidery Solutions for the Information Technology Age

- Touch screen (10.4 inch, Resolution 800×600)
- Ability to register shortcuts info multiple groups
- Customizable Display
- Easy Icon based operation
- LAN Connector Standard, 1×COM Port & 2×USB Ports, 1×Remote Controller Connector
- 70 million stitch capacity, 100 memory locations

|-------------------|----------------------------------|----------------------------------|--|-------------------------|------------------------------|-------------------------|----------------------------|------------------------------------|--------------------------------|------|------|
|                   |                                  |                                  |  |                         |                              |                         |                            |                                    | L                              | W    | H    |
| BEKS-S556         | 1500×162.4/350                   | 162.4                            | 1500×9094                              | 5                       | 0.1~12.7                     | 200~1000                | 3φ200~415                  | 2.1                                | 10925                          | 3590 | 1920 |

Note 1 : The embroidery area indicated above allows for maximum pantograph movement. The frame used may restrict the actual embroidery field size.

注 1: 上述刺绣面积、表示为框架的最大移动量、实际的刺绣面积由于使用的框架的不同、而有限制。

Note 2 : Other embroidery areas are available upon consultation.

注 2: 除了上述以外、其它刺绣范围也接受订货。

Note 3 : Machines and Specifications are subject to change at any time without prior notice.

注 3: 为了改善会随时更新机器规格。
